THE FRAGRANCE COLLECTION

DEMO PRO

Four moods created to move with the rhythm of modern life.

THE HOUSE

Scent as a personal l

DEMO PRO is a fictional contemporary fragrance house built around a simple belief: perfume should express a mood before it explains itself. Each creation combines a clear olfactive identity with a distinctive visual world, allowing color, texture and emotion to become part of the scent experience. The debut collection presents four fragrances designed as a modern wardrobe - fresh, radiant, indulgent and romantic.

THE PERFUMER

Adrien Vale

MASTER PERFUMER & CREATIVE DIRECTOR

Adrien Vale approaches perfumery through contrast: light against shadow, freshness against warmth, and familiarity against surprise. For DEMO PRO, he shaped each fragrance as a complete identity - one that unfolds on skin and remains memorable long after the first impression.
